Home Comparison Checklist

Enact®

Choosing a home is a major decision, but the process can be exciting! With our comparison tool, you can quickly identify the features that are important to you and rank the options to see which home best aligns with your preferences.

Directions:

Step 1: Select the features that are most important to you in a home. Use our suggestions or create your own!
Step 2: Rank the importance of these features, with 1 being the most important.
Step 3: Check the box if the homes you are considering have these features.

Our calculator will rank each home based on your preferences.
